RESONATOR AND FILTER MANUFACTURED BY THE SAME METHOD

RECONSIDERATION OF PETITION UNDER 37 CFR 1.137(b)

MAIL STOP PETITIONS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to our discussion with Shirene Willis Brantley (Senior Petitions Attorney, Office of Petitions) on February 4, 2009, we declare that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

After performing a recent status check on Private PAIR on June 26, 2008, we found out that the application had gone abandoned. The Notice of Abandonment had been mailed to our previous law firm, so we were unaware of the abandonment of the application.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,

LOWE HAUPTMAN HAM & BERNER, LLP
